AUSTRALIA WILL BE REPRESENTED AT THE BIG FAIR

To decide upon suitable plans for a series of buildings in which will be exhibits from the several states in the Australian commonwealth, is the mission that calls Alexander Brown, R. O. Jones and G. J. Oakenshott to San Francisco, where upon arrival they will enter into conference with the board of managers of the Panama-Pacific exposition.

The Australian commonwealth will be fittingly represented at the big fair, according to the declaration made this morning by the party of consulting architects who are through passengers in the Oceanic liner Ventura, who will remain at the coast for a short time before returning to the southern continent, to make their report to the various governmental and civic bodies, that are to supply the funds to cover the cost of the buildings and maintain the exhibit.

A variety of specifications have been submitted which will be offered and passed upon before the delegation return to Australia.

MANY SERVICE MEN NOW ARE MEMBERS OF LOCAL Y.M.C.A.

The local Young Men's Christian Association "took stock" yesterday afternoon to ascertain to what extent it is reaching the men in the army on Oahu, with a view to securing a better understanding of its possibilities in relation to the men in khaki.

The figures secured show that there now are 60 service men connected with the association, of which the majority, 22, are drawn from the coast artillery. Next comes the infantry and third the marines. The cavalry, hospital corps, engineers and departmental clerks make up the remainder. In the way of special activities, W. H. Heinrichs, the office secretary, now is conducting a special Bible class for the men in the service, which has an enrollment of 16 members. The educational facilities of the association appeal to the ambitions of a good many of the soldiers, while the physical department, billiards and bowling draw a good per cent.

As to the national guard, the exact number of the members of that organization belonging to the association can not easily be ascertained, as the association has no roster of the guard.

INDIGESTION, GAS OR SICK, SOUR STOMACH

Time H!—"Pape's Diapepsin" makes your upset, bloated stomach feel fine in five minutes

"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that's just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, your belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness. A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or night. It's the quickest, surest and most harmless stomach doctor in the world.—advertisement.

"MARY JANE'S" NOW HERE.

The Manufacturers' Shoe Co., Ltd., received the new lot of those fine "Mary Jane" Pumps it was waiting for, and can now fill all orders. Turn sole; patent leather uppers; dressy, yet comfortable.—advertisement.

Sailing for Port Townsend in ballast, the schooner Helene, following a discharge of a full shipment of lumber, was dispatched at 3 o'clock yesterday afternoon.

DRUG GOODS AS CHEAP HERE AS IN STATES

A look at the windows of the Hollister Drug Co. should convince the most skeptical that the public is not "held up" here, at least as far as drugs and sundries are concerned. This popular drug store is showing what 25 cents will buy in Honolulu. The large assortment of goods displayed includes many useful household and toilet articles as well as medicines and drug sundries.—advertisement.

KAMEHAMEHA DAY COMMITTEES WERE NAMED YESTERDAY

That \$2000 probably will be necessary to this year observe Kamehameha day, which falls on June 11, in accordance with the program now nearly completed, was the opinion of an adjourned meeting of the officers of the several local Hawaiian societies held last evening in the Library of Hawaii. Hawaiian fraternities to the number of 24 already have signified a willingness to assist in observing the day, and there is little doubt in the minds of those in charge but that the required funds will be forthcoming at the first call of the finance committee.

The following addition to committees and appointment of new committees were sanctioned last evening: General committee, additional members: L. Andrews, George E. Smithies, Mrs. L. A. Coney, Mrs. Francis M. Swamy, Mrs. Emma K. Nakulana, Mrs. Edgar Henriques.

Executive committee—Rev. Akaike Akana, chairman; Samuel C. Dwight, R. W. Shingle, Edgar Henriques, Edward Woodward, J. C. Anderson, Mrs. Fred W. Macfarlane, Mrs. S. C. Dwight, Mrs. William Chung Hoon, Sr., Mrs. Helen Webb, Mrs. Manuel Reese.

Finance committee—D. P. R. Isenberg, chairman; R. W. Shingle, Mrs. Eben P. Low, Mrs. A. G. M. Robertson, Mrs. Carrie Robinson.

The following additional names were added to the roll of guests of honor:

Judge Sanford B. Dole, ex-president of the republic of Hawaii and ex-governor of the territory; ex-Governor George R. Carter; ex-Governor Walter F. Frear, and High Chiefess Elizabeth Kekauiahi Pratt.

IMPROVERS DIVIDED AS TO WIDTH OF SIDEWALK

The Kaimuki, Waikane and Palolo Improvement club met last night in the hall of the Lihoukalani school, and there was more animation shown than has been on tap for the last several meetings.

The principal subject for discussion was but a continuation of a much-threshed subject, that of the width of the sidewalks along the Waialae road. Widths from six to 14 feet have been suggested. It was finally brought down to a choice between eight and 10 feet as the proper width, and when put to a vote it was found that the club was evenly divided on the matter, and it was decided that the club would advise the supervisors that it would stand clear of the matter of giving an expression on that subject as asked for by the supervisors.

Petty thefts of garden tools and hose, reckless auto driving, police facilities, lights and road repairs were subjects that were taken up for investigation by the proper committees.

KAHUNAISM IS CHARGED.

A strange case of kahunaism has come to the attention of the local authorities through the death of Pauline Hayes Saturday night. The Hawaiian friends of the woman declare that she was kahunaed while in the territorial prison by Puolo, a Hawaiian woman serving a 60-year sentence in the prison for practicing kahunaism on Maui, which ended with the sudden death of several Hawaiians. The young woman occupied a cell with Puolo, they quarreled, and before the Hayes woman left the prison Puolo is said to have declared she would die under her kahuna. When the woman left the prison she fell ill with a cold, refused the attendance of a physician, and died Saturday night.

"He that sleeps feels not the toothache," according to Shakespeare. Similarly it might be said that he that feels the headache does not sleep unless he uses the wise precaution to take "Shac," which quickly drives away the pain and makes sleep possible. Insist on "Shac."—advertisement.

Ohionans in Honolulu, members of the Buckeye Club, will gather at the home of Rev. and Mrs. W. D. Westervelt, Waikiki, this evening to participate in the March social event of that organization. Tourists in Honolulu, are cordially invited. The guests of honor will be Brigadier-General R. Edwards and Mrs. Levi Buttles, both natives of Ohio, both of whom will make brief addresses. Baker, the photographer, will show a number of views of the Garden Island.

Brown's
Bronchial
Troches,

recommended by many prominent physicians and clergymen for bronchitis, asthma, coughs and throat affections.

THROAT Troubles ARE Dangerous

because the swollen glands and inflamed membranes often affect other tissues and impair their healthy action.

Scott's Emulsion stands alone as nature's corrector of throat troubles; its cod liver oil is speedily converted into germ-resisting tissue—the glycerine is curative and healing, while the combined emulsion up-builds the forces to avert the weakening influence which always follow throat troubles.

SCOTT'S EMULSION is best for these important reasons—it relieves the trouble; it prevents a relapse; it is not charged with alcohol or stupefying drugs. Shun substitutes and insist on Scott's.
